DEDICATION

Through sixty years of progress, three wars, and three generations Southwestern Louisiana Institute emerges with its face to the future. A new picture shapes itself within the structure of the Institute, as it assumes a new rank and a new name, The University of Southwestern Louisiana.

With increased enrollments, expanded curricula, a growing physical plant and added responsibilities, Southwestern moves to meet the challenge which a new rank invites. If the past is the key to the future, this renamed Institution will continue to expand the minds of inquiring youth and give new meaning to the disciplines of higher learning.

With high hopes for the future of our distinguished Institution, now entering its sixty-first year, we, the students, respectfully dedicate this 1961 L'Acadien to The University of Southwestern Louisiana.

MARTIN HALL

OUR PAST

The first building on the campus still stands as a sentinel guarding the rising buildings as they grow in numbers. Built in 1901, it contained all the classrooms and laboratories; library, auditorium, and administrative offices.

Devoted to the sciences, Montgomery and Billeaud Halls contain modern laboratories and equipment necessary for the training of students preparing for the professions of Agriculture, Medicine, Medical Technology, Nursing, Chemistry, Bacteriology, and Chemical Engineering.

IS THE **KEY** TO OUR FUTURE

Entering the passageway among Corona, Olivier, and Guillory Halls which house the post office, bookstore, refreshment center, lounges for men and women, and offices for various student organizations, the Student Union provides facilities for the immediate needs of the students.

THE NEW UNIVERSITY

The proposed Edith Garland Dupre Library now in construction.

Mirrored in Cypress Lake, the Student Center provides a place where students can relax and find surcease from their strenuous academic duties.

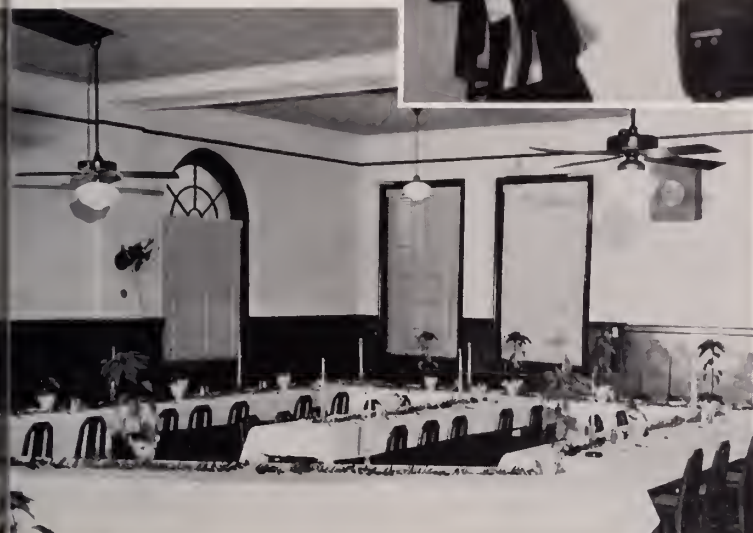

Facing Hebrard Boulevard, DeClouet and Randolph Halls represent the old and the new in dormitories for women. From the family album they bring back memories of the first members of the faculty, such as Lady Baker, Edith G. Dupre, Beverly Randolph (Mrs. E. L. Stephens) and Gabrielle Hebrard.

Located on Vermilion Bay near the mouth of Fearman Bayou, The University of Southwestern Louisiana Marine Laboratory has a two-fold purpose: research and instruction. A challenge to biology students, this unique set-up of indoor laboratories, outdoor water and marshlands, interests old and young alike.

THE KEY TO HIGHER EDUCATION

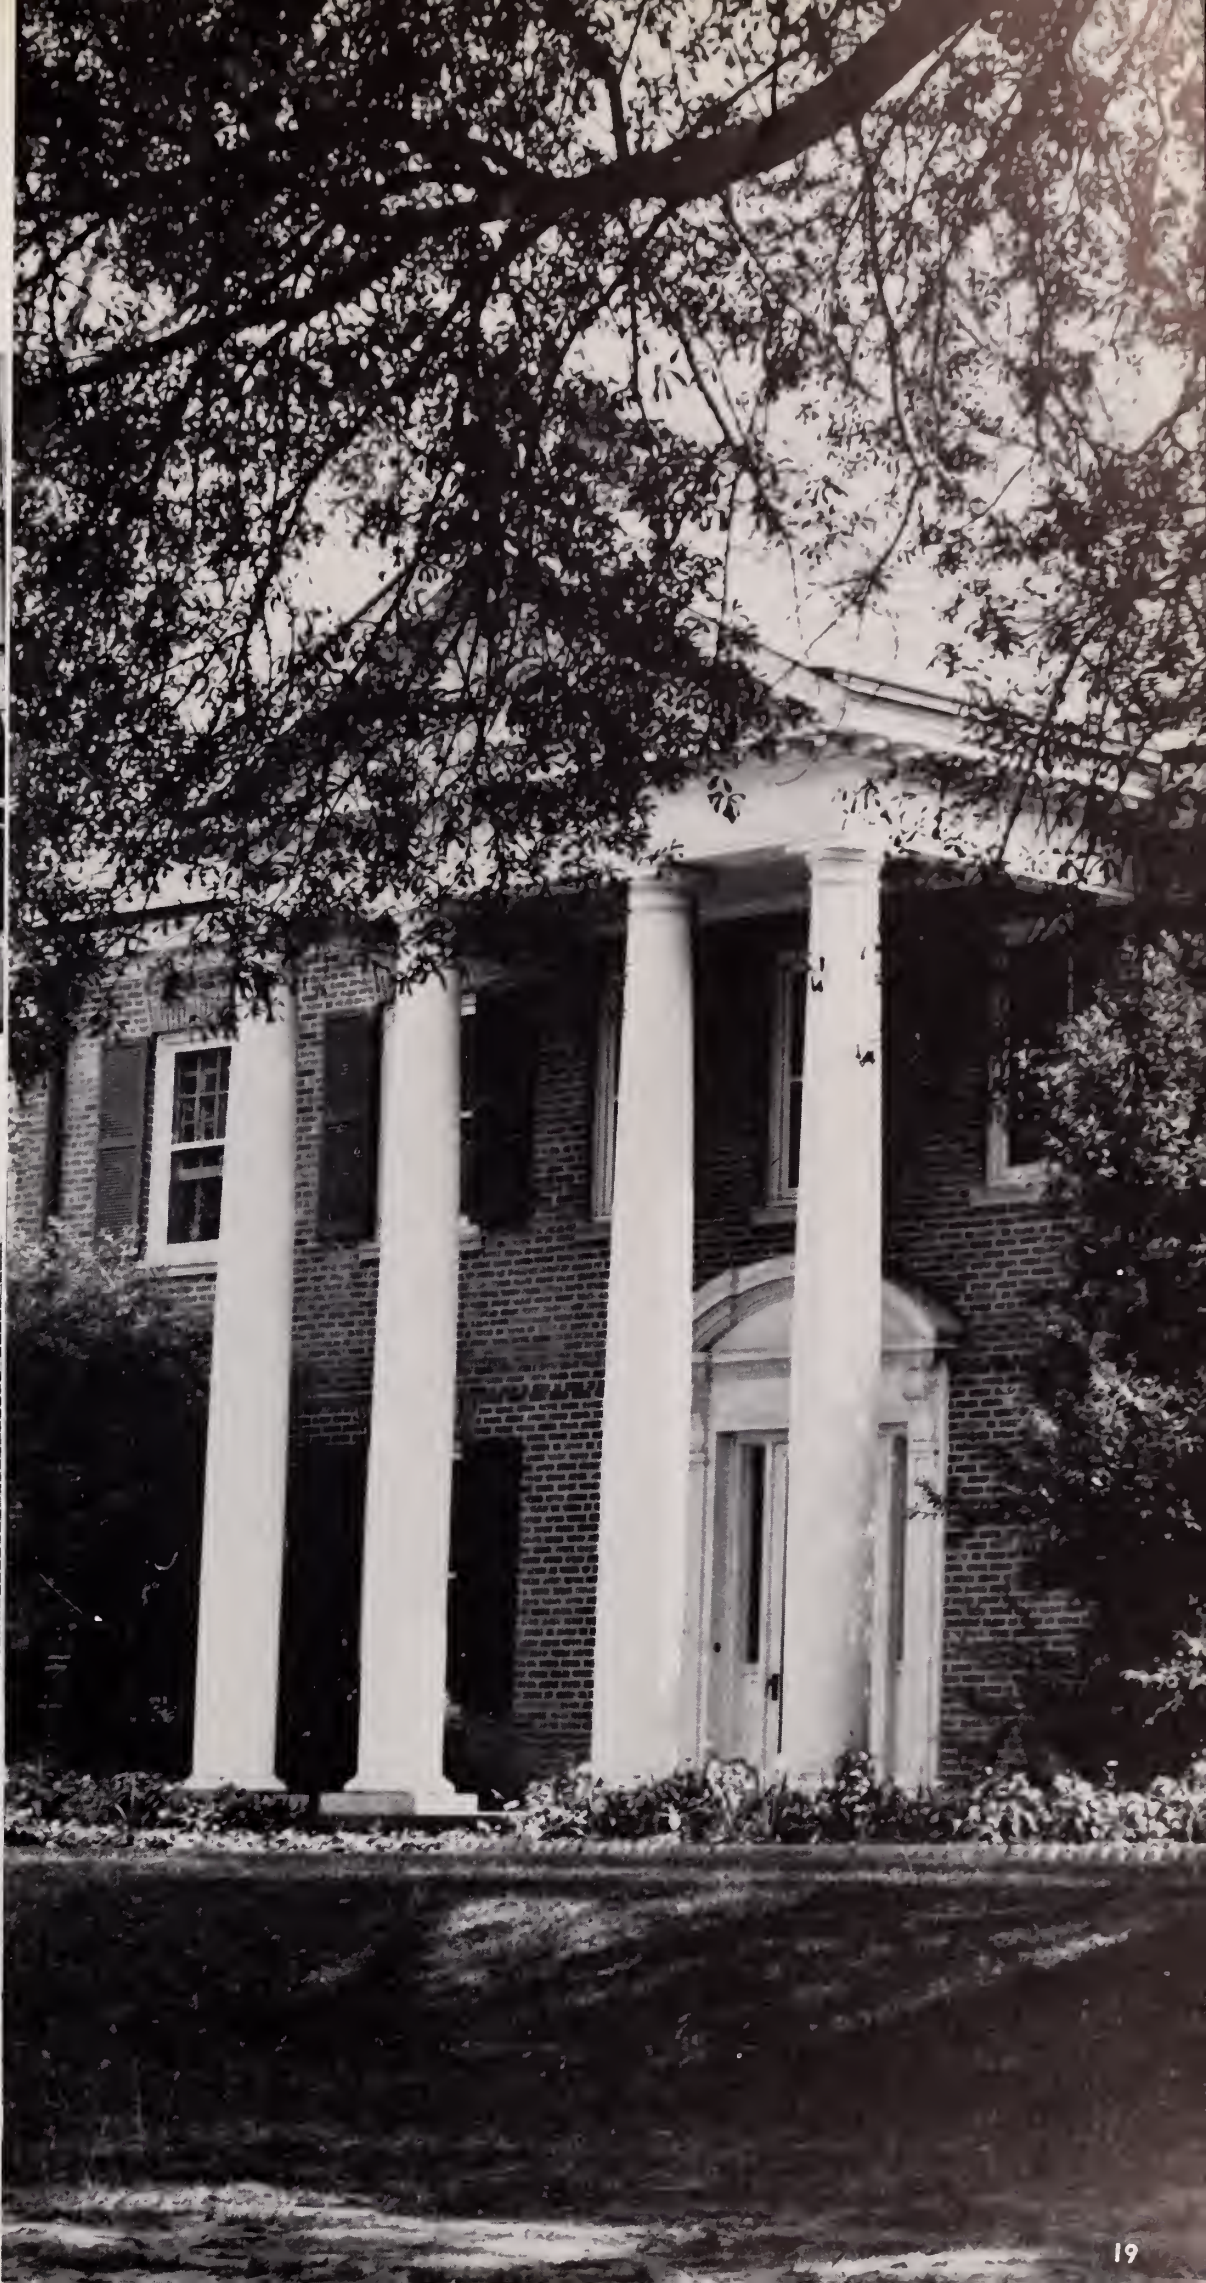

JOEL LAFAYETTE FLETCHER

VERLANDER AND POIMBOEUF TALLY IN THE SEASON OPENER

The season opened with the Bulldogs hosting the Southeastern Lions. In the first quarter Poinboenf kicked a 25 yard field goal, giving U.S.L. 3 points. U.S.L. fought hard the remaining first half of the game even though the Lions tallied twice. In the third quarter a pass from Bridges to Verlander gave U.S.L. their first touchdown. Falgout, Lott, and Money drove hard for the Bulldogs. The Lions, however, clinched the game by scoring in the fourth period, making the final score 20-10.

HERNANDEZ, MONEY, AND KING SPARKED THE BULLDOGS TO GLORY IN SAM HOUSTON SKIRMISH

A defensive game was the stronghold of the Bulldogs in the first half. A continuous drizzle fell throughout the game. In the third quarter the offense broke loose with a 27 yard run by Hernandez. Money subsequently bulled his way over from the one and then picked up two points after a TD through the middle of the line. The punting of King kept the Bearkats on their own goal line the majority of the game. As a result of united team effort U.S.L. evened up their season record in an 8-3 win.

ROLL HARD IN STEPHEN F. AUSTIN GAME

U.S.L. traveled to Lumberjack territory to claim their second victory of the season. The Bulldogs drew blood in the first quarter when Lott scored after a 72 yard drive. After the first score the ball moved continuously. The strong U.S.L. defense kept a damper on the Lumberjack passing attack and as a result they couldn't go. U.S.L. fought hard to the end and scored with eleven seconds remaining to clinch the game 36-0.

TREMENDOUS TEAM EFFORT UPSETS THE STRONG TECH 11

The Bulldogs scored one of their most impressive victories in many a year by defeating the 2 or 3 TD favored Tech. U.S.L. scored early in the first quarter by a pass from Bridges to Kapp. Throughout the game the Bulldogs held Tech's offensive to a 2.3 yard average per carry. Tech got their two points by an intentional grounding of the ball in the end zone late in the fourth quarter. Poinbeouf then kicked the ball way back into Tech's territory. With the team fighting and the crowd yelling, U.S.L. downed Tech 6-2.

VERLANDER AND BRIDGES SPUR
U.S.L.'S TALLY IN ARLINGTON STATE BATTLE

Playing on home ground for the second week in a row, U.S.L. was stunned by Arlington State's score early in the second period. The Bulldogs fought hard and stopped the Rebels for the rest of the first half. Late in the third quarter, however, the Rebels scored again. This put the spark of the real U.S.L. team back into our boys and the Bulldogs marched down the field and scored on a pass from Bridges to Verlander just seconds before the game ended. Although now ready to win, the buzzer sounded and the Rebels defeated U.S.L. 13-7.

LAPEYROUSE, FALGOUT, AND BRIDGES STAND OUT IN LOUISIANA COLLEGE GAME

The Bulldogs put up a terrific fight and as a result the first half of the game was scoreless. U.S.L.'s offense just couldn't get moving. In the second half, however, fumbles plagued U.S.L. and Louisiana College scored twice as a result. Falgout at this time on a pass from Bridges ran through a host of tacklers to the Louisiana College one and Lapeyrouse subsequently went over for the score. The Bulldogs then tried an on-sides kick which failed and time ran out with a final score of 13-7.

FALGOUT, BRIDGES, LOTT, AND VERLANDER
STAR IN NORTHEASTERN DEFEAT

The Bulldogs were pepped up for a dismal Homecoming Day. Late in the first quarter the Indians scored. Then the Bulldogs put up their defensive stand for the rest of the half having trouble getting the offense to roll. It still looked bad for U.S.L. late in the fourth period but then Falgout went crazy on a long run bringing the ball up to the Indians' 30, where it was subsequently pushed to the one. With 6 seconds left Lott scored and then Bridges threw to Verlander gambling for all or nothing, and with the pass complete for 2 points, U.S.L. made a dismal day bright by defeating the Indians 8-7.

THE LEDETS, MULA, ADKINS, AND BRIDGES TEAR UP THE PENSACOLA AIR STATION

Early in the first quarter two Pensacola fumbles were recovered by U.S.L. resulting in scoring drives. The Bulldogs moved to an early 13-0 lead with the aid of the Ledets recovering the fumbles. Adkins and Mula took the ball over into the end zone, after a series of plays. Until the fourth period the Bulldogs were held in check but then Bridges let go a 45 yard TD pass to Verlander. The game ended with the U.S.L. Bulldogs sinking the Pensacola team by a score of 20-14.

LOTT, MASTREAN, ELDER, ARMSTRONG, AND
JOSEPH SPUR THE BULLDOGS ON IN THEIR DEFEAT
OF NORTHWESTERN

From the first time the U.S.L. Bulldogs came into possession of the ball one could see the spirit to win. They drove 60 yards in eight plays to get an early score. A pass from Mula to King set up this tally. In the second period Lott moved the ball up to a field goal position, and Poimboeuf converted. The first half ended with the score 10-0. In the third period Mastrean snagged a Deamon pass and ran it back 25 yards for the score. Armstrong, Joseph, and Elder helped tremendously in bottling up the Deamons' offense. The game ended with a score of 17-7 putting the Bulldogs in a three way G.S.C. tie.

A FINAL MESSAGE

In contrasting the old of Southwestern Louisiana Institute and the new University of Southwestern Louisiana, we, the editors, feel that the 1961 L'Acadien is the embodiment of the change that the past years have wrought in name, in spirit, in academic thought.

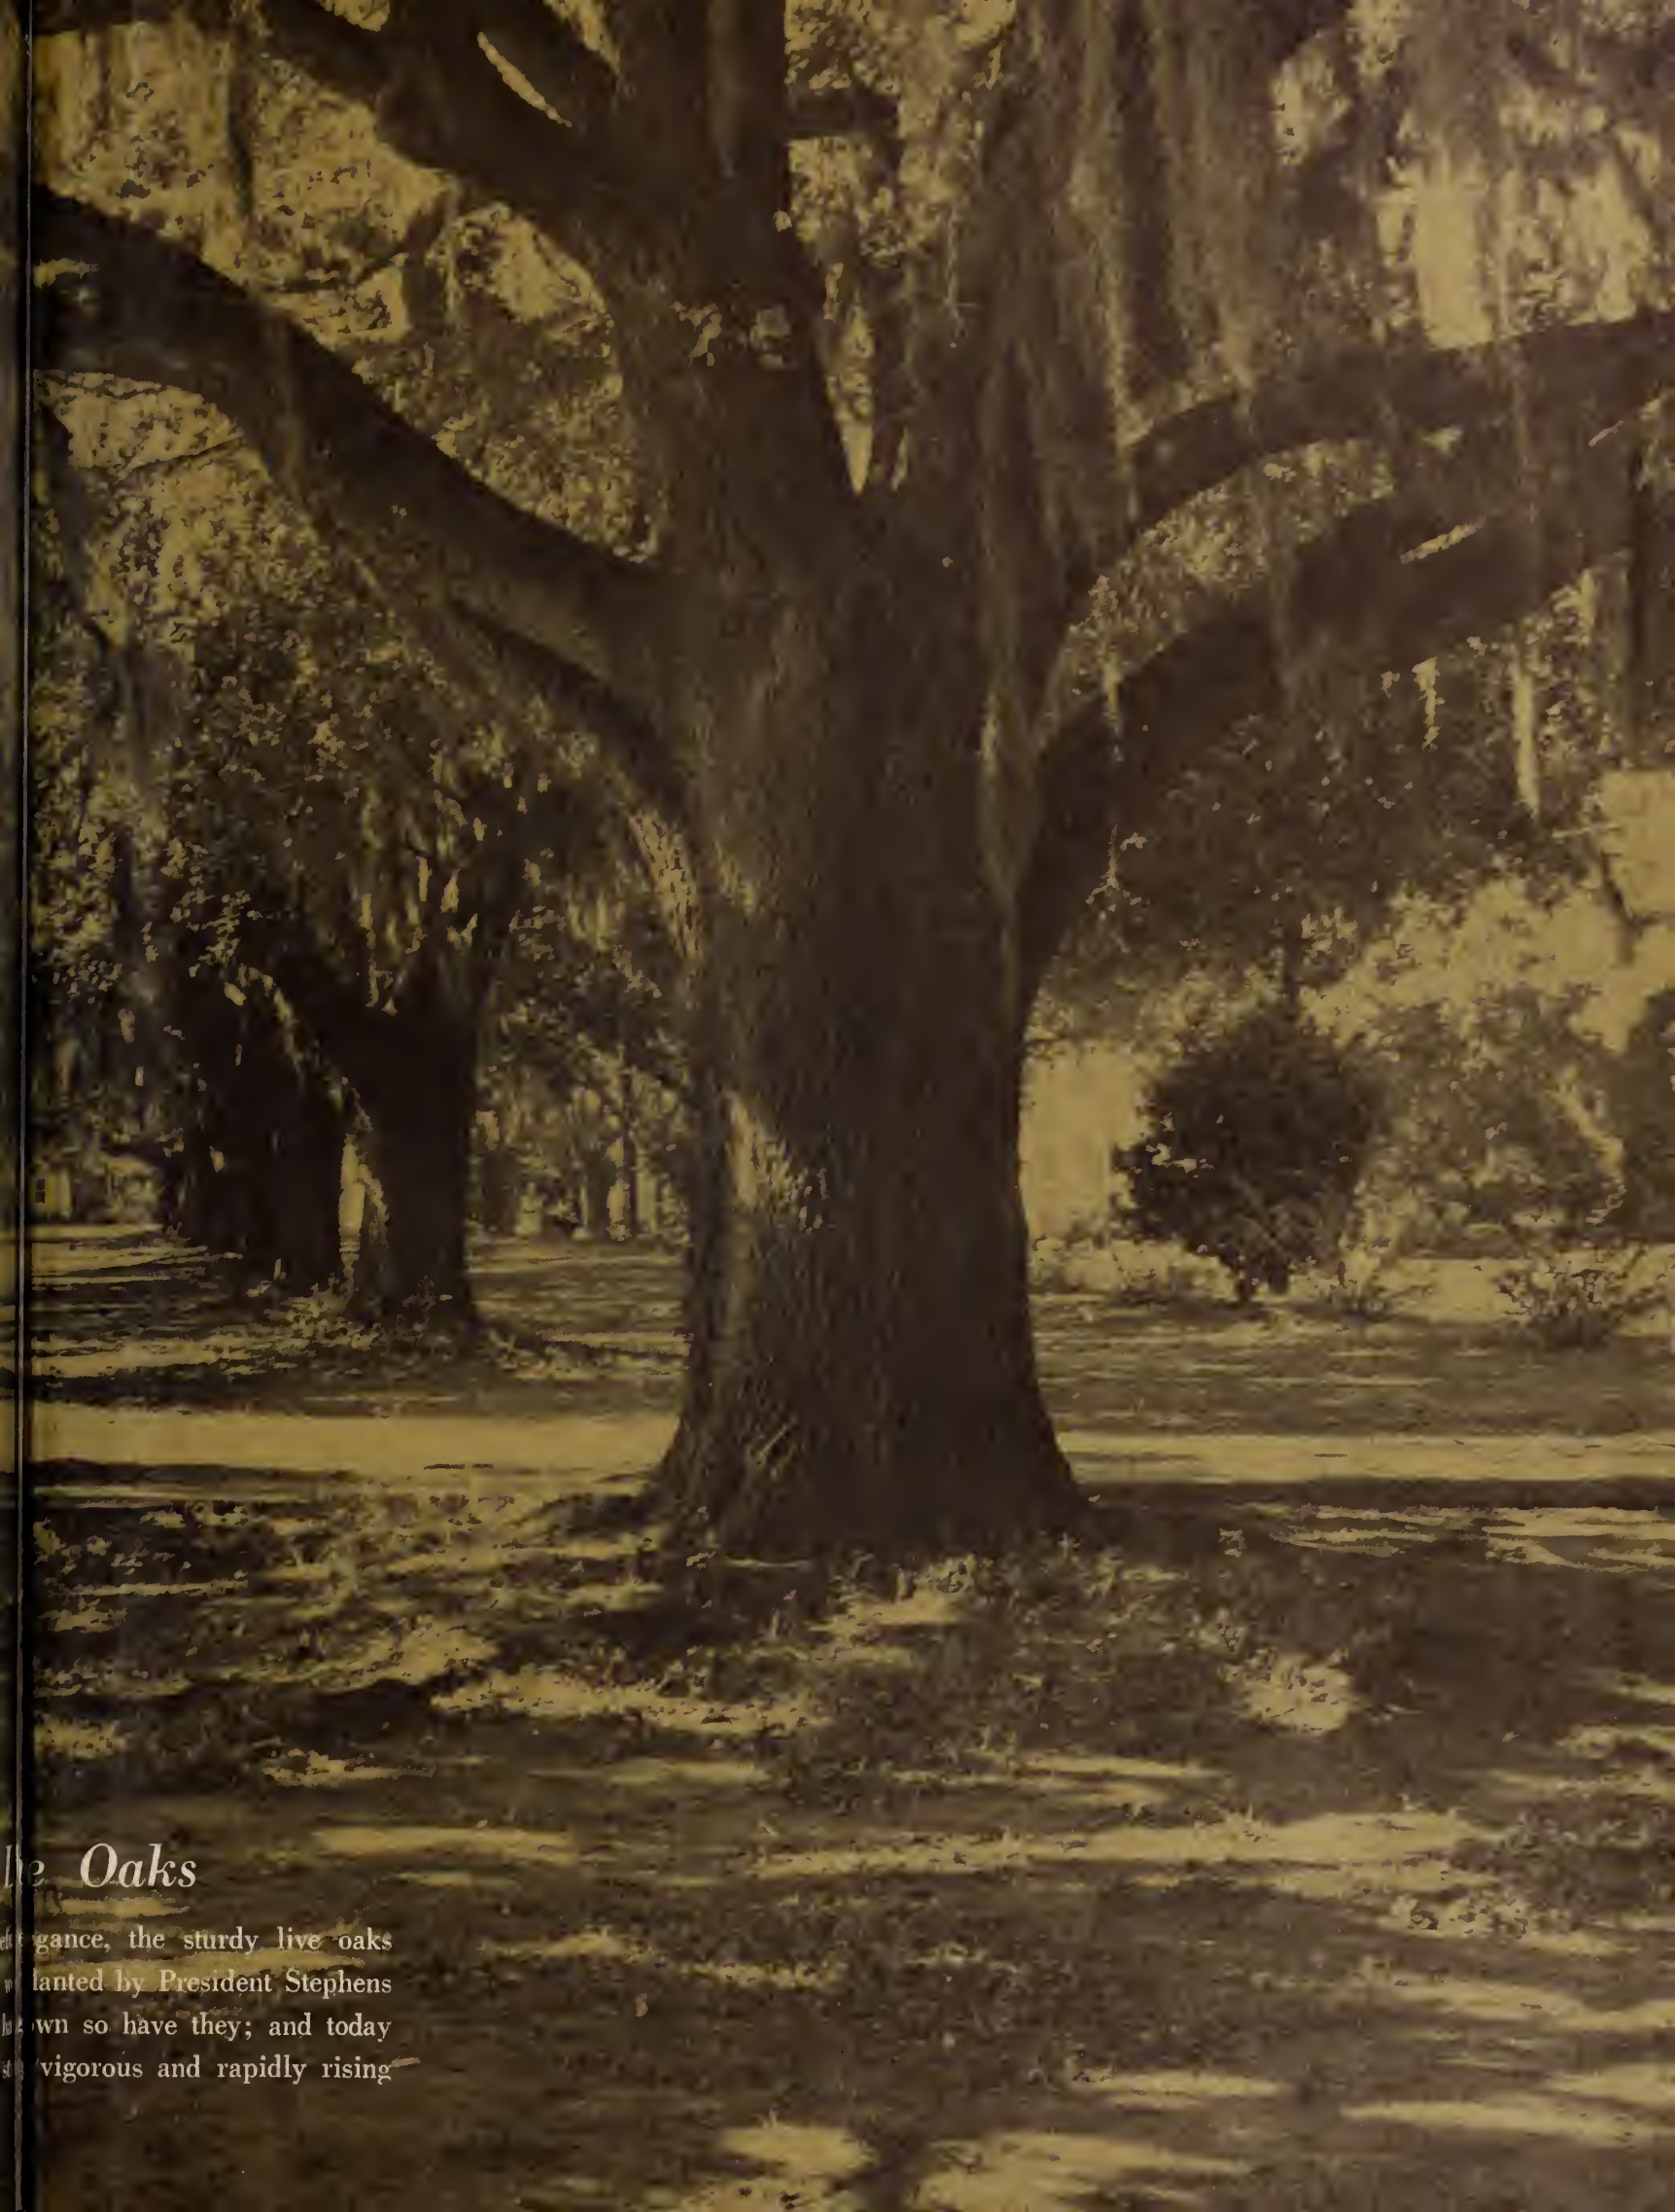

As our final copy goes to press we acknowledge with sincere appreciation the time and consideration extended to us by: President Joel Lafayette Fletcher, Dean Emeritus Harry Lewis Griffin, Dean Agnes Roth, Advisor, Mr. John Stephens, Photographer, Mr. Fred Elsing, Representative of Taylor Publishing Company, The L'Acadien Staff and Taylor Publishing Company.
